Mark Schmidt mob : 0477 304 241 email: president@mungbean.org.au

The market outlook for the 2018–19 mungbean season is very positive. Growers interested in planting mungbean this season are invited to attend free Pre-Season Grower and Advisor Update meetings to hear the latest in mungbean marketing and agronomic advice. The Australian mungbean industry is growing consistently and success lies in producing beans of the highest quality.
